

Press release for imm cologne 2022

S+ Systemmöbel GmbH is launching its first showroom in Cologne city centre in January 2022.

At Mohrenstrasse 21, the door to the new S + Studio opens for visitors and S+ presents new as well as established ranges from the **S+ collection**.

On the exhibition floor, we will show the modular and proven shelf and sideboard programme System M from 2011, the long-awaited Nitō shelf system made of aluminium and the new outdoor versions of the M05 and Kanji side tables for the coming summer season.

All designs are by Thomas Merkel.
